Japan Fair Trade Commission

The Japan Fair Trade Commission (hereinafter referred to as the "JFTC") has reviewed the proposed acquisition of shares in Fuji Pack Co., Ltd. (JCN 6150001013336) (hereinafter referred to as "Fuji Pack") by SEIREN CO., LTD. (JCN 9210001001785) (hereinafter referred to as "SEIREN"; and Fuji Pack and SEIREN are hereinafter collectively referred to as the "Parties") (hereinafter referred to as the "Transaction"). As a result of the review, based on the premise that the Parties would implement their proposed remedies, the JFTC concluded that the Transaction would not substantially restrain competition in any particular field of trade.

Although the Transaction does not meet the notification requirements stipulated in Article 10, Paragraph 2 of the Antimonopoly Act, the Parties consulted with the JFTC, presenting the specifics of their business combination plan, and the JFTC reviewed the Transaction in accordance with Section 6 (1) of the "Policies Concerning Procedures of Review of Business Combination" (June 14, 2011), applying principles as equivalent to those for business combinations that require notification.
