- d. Title: _____
- e. Department: _____

1. Information of the Requesting Agency

- a. Name of Jurisdiction: _____
- b. Name of the Agency: _____
- c. Name of the person in charge of this request: _____
- d. Title: _____
- e. Department: _____
- f. Phone Number: _____
- g. Fax Number: _____
- h. E-mail address: _____

2. Specific contents of the request

a. The information to be requested

<Example>

With respect to XX case, we would like you to provide disclosed documents such as press releases and any other available documents and information, referring to the overview of the cartel conduct, the violators, the section of related laws and regulations and the sanctions (the amount of financial penalty, other measures for effective elimination of the violation).

b. The purpose of the request

<Example>

The purpose of our request is for follow-on investigation.

c. The preferable language used in the documents concerning the requested information (select all that apply)

☐ in English

☐ in Other Language

d. Preferred timing to receive information

<Example>

Please reply by m/d/y. / Since we have just started investigation of the case, we need the above requesting information as soon as possible.

1. The requested agency has its discretion to decide whether or not to provide any information and (if decided to provide), what to provide.
2. There is a possibility that information about the on-going cases may not be provided even if the initiation of the investigation has been reported in the media.
3. Provided information shall only be used by the requesting agency for the purpose specified above (2-b), unless the requested agency has approved otherwise.
4. If the actual person who is in charge of the requested issue is not the Liaison Officer who has been registered in the framework, relevant information such as names, titles, and E-mail address, should be specified in response.
