

JFTC published the “Guidelines concerning Misleading Representations concerning  
Fee-charging Homes for the Elderly”

June 16, 2004

Japan Fair Trade Commission

The Japan Fair Trade Commission (JFTC) made public the “Guidelines concerning Misleading Representations concerning Fee-charging Homes for the Elderly”.

The JFTC published the draft on March 31 this year and invited every interesting party to submit its comments on this draft.

As a result, comments were submitted by 53 persons.

The JFTC, after due consideration on all the submitted comments, finalized today the Guidelines with some changes from the draft.
