

○ **Act on Promotion of Competition for Specified Smartphone Software (Act No. 58 of 2024) (Excerpt)**

(Designation of Specified Software Operators)

“Article 3 (1) The Fair Trade Commission shall designate a business operator (in the following paragraph, “**specified software operator**”), as an operator to whom the provisions of Chapter 3 shall apply, engaged in **the provision of specified software** whose scale of business relating to **the provision of specified software** is not less than that specified by Cabinet Order based on the number of users for each type of **specified software** or other indicators of the scale of the business as one that may exclude or control the business activities of other business operators.”

(Paragraphs 2~4 omitted)

○ **Cabinet Order Specifying Business Scale under Article 3, Paragraph 1 of the Act on Promotion of Competition for Specified Smartphone Software (Cabinet Order No. 376 of 2024) (Excerpt)**

The scale specified by the Cabinet Order under Article 3, Paragraph 1 of the Act on Promotion of Competition for Specified Smartphone Software (hereinafter referred to as "the Act") shall be as set forth in the right column of the following table for each type of specified software listed in the left column of the same table.

Specified Software	Scale
