The Japan Fair Trade Commission (hereinafter referred to as the “JFTC”) has reviewed the proposed management integration of Hino Motors, Ltd. (JCN 8013401000626) (hereinafter referred to as the “Hino”) and Mitsubishi Fuso Truck and Bus Corporation (JCN 7020001078696) (hereinafter referred to as the “Fuso”), under which Toyota Motor Corporation (JCN 1180301018771) and Daimler Truck AG will invest in ARCHION Corporation (JCN 7012801024013) (hereinafter referred to as the “Holding Company”); and these five companies and the groups of companies which have already built joint relationships with them, are hereinafter collectively referred to as the “Parties Group”), and Hino and Fuso will become wholly owned subsidiaries of the Holding Company (hereinafter referred to as the “Transaction”).

As a result of the review, based on the premise that the Parties Group would implement their proposed remedies, the JFTC concluded that the Transaction would not substantially restrain competition in any particular fields of trade. Accordingly, the JFTC has notified the Parties Group that the JFTC will not issue a cease and desist order.
